

**Coaster:
fast, sea-kindly,
roomy.**

Exciting. That's the word for Pearson's brand new Coaster! From bow to transom, deck to keel, every detail expresses the most advanced steps in design concept, selective use of materials.

MORC racer, auxiliary. The designer has given Coaster a long waterline for optimum racing ability (MORC rating 23.3). She combines generous beam with long lean run. Her hull is fast, yet rugged with the tried-and-true underbody concept that has made Pearson Yachts famous for stability, ease of control and safety.

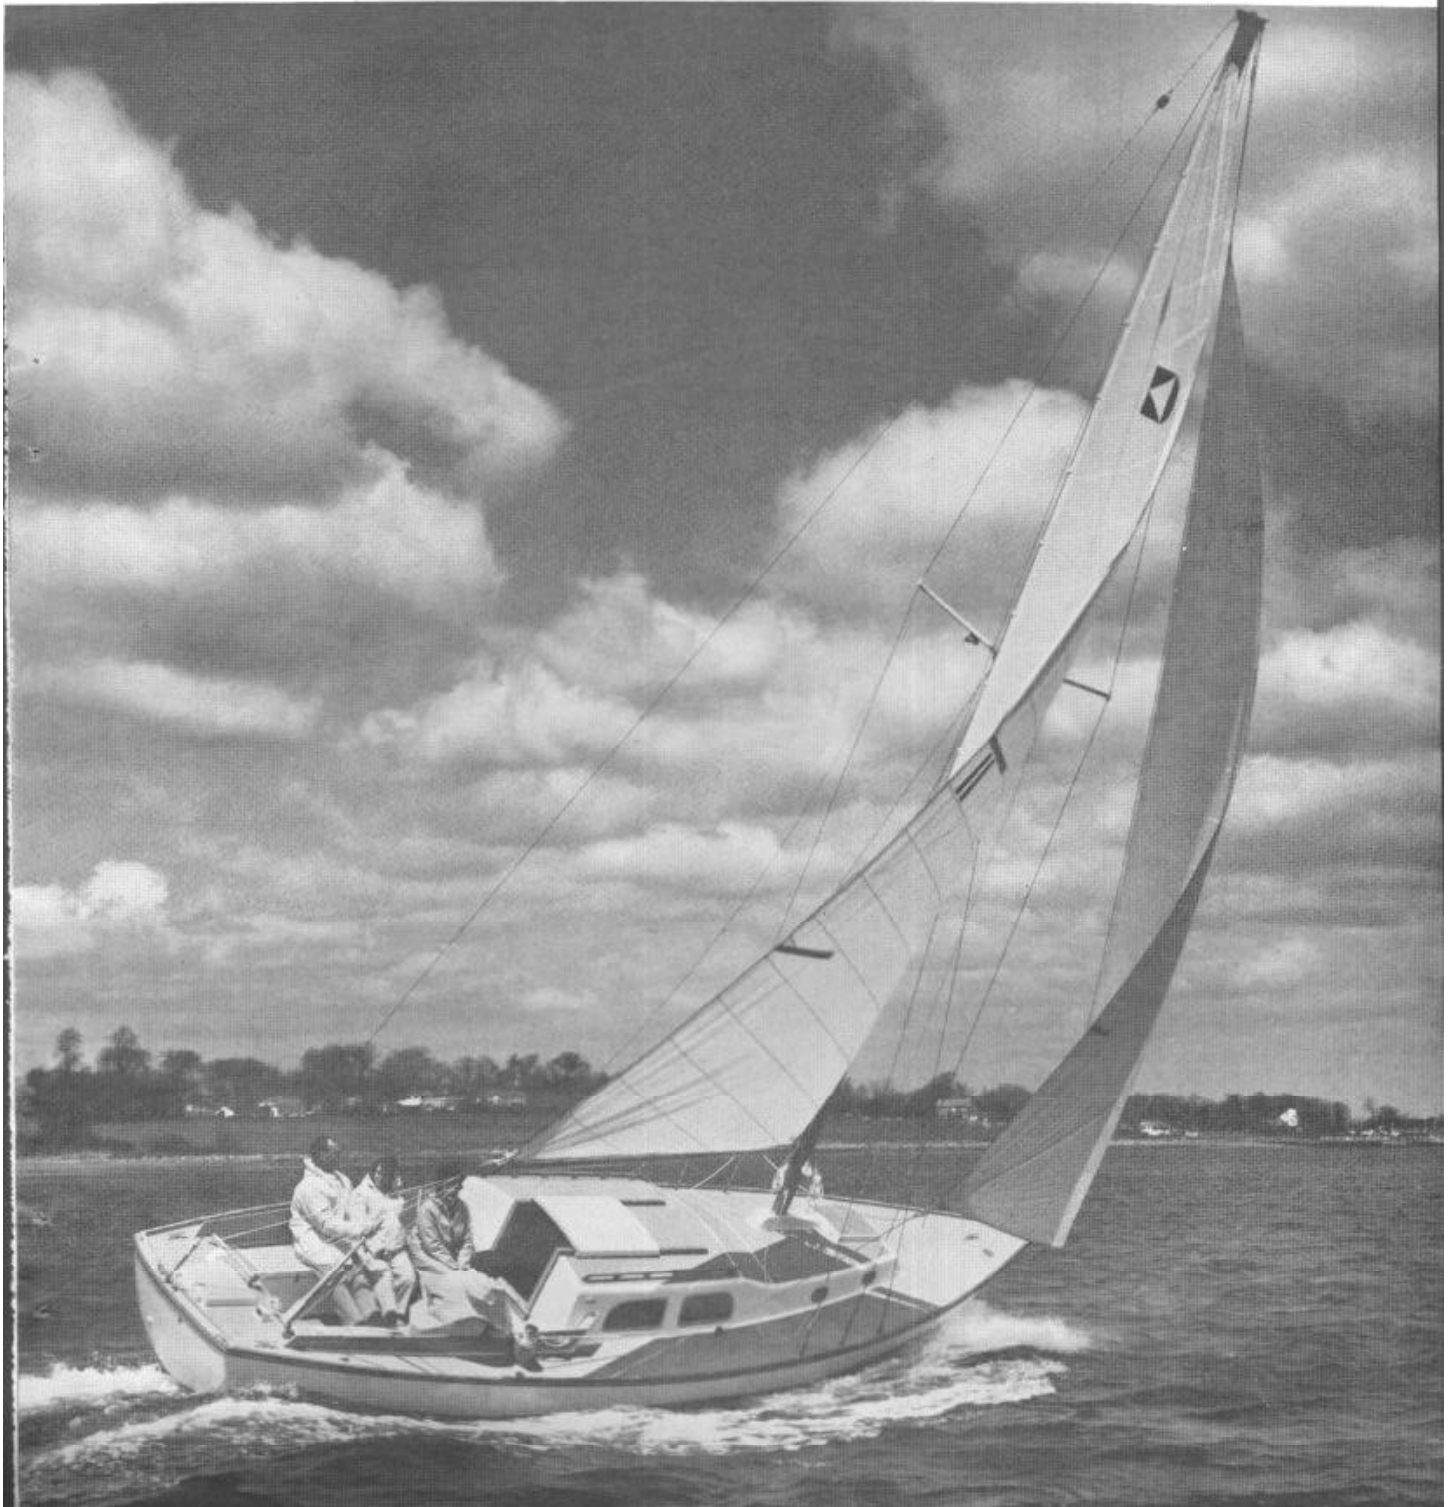

Spacious. Coaster's long length, ample free board and wide beam provide more space below than expected in an

auxiliary of her overall length (29' 10" x 9' 4" x 4' 7"). She sleeps five or six in choice of standard or dinette

arrangement. Makes generous use of wood-grain laminates, teak trim and color-coordinated vinyl materials.

A lot of boat for the money — there's more built-in value in the Coaster than any other boat of her size sailing today. Sail her — you'll agree! See your Pearson dealer or write: Pearson Yachts, Bristol, R.I. 02809.

Wanderer:

New, winning racer,
cruising centerboarder.

She's here! Just what hot racers have been looking for. A fast shoal-draft hull with spacious cruising accommodations.

Qualifies for many major races! Wanderer's 30-foot-plus length (30' 3" x 9' 4" x 3' 6" board up, 6' 9" down) makes her right for those long distance races requiring this length boat. She has an excellent rating (C.C.A. 22). Her combination keel-centerboard offers many distinct advantages. Reduced drag down wind, extra lift to windward. She's very fast! New owners are racing to impressive victories.

A slugger too! Her generous beam, plus her long waterline make her ideal in a tough

sea. She's responsive to rudder commands and her sea-kindly hull adds greatly to stability, ease of control, dryness and safety.

Roomy living! Just what the racing skipper and family wants between races when the emphasis is on cruising comfort and convenience. Wanderer's worth every dollar of her price! Just ask a new owner — then see your Pearson dealer. Write Pearson Yachts, Bristol, Rhode Island 02809.
